

Update

Stage 1: Twelve Apostles Trail Project

July 2023

What's happened since the last update?

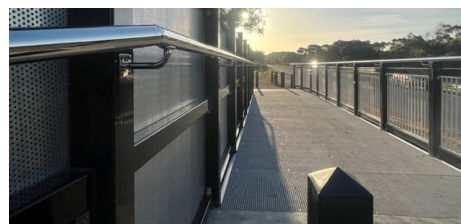

- Construction of Campbells Creek bridge footings
- Continued path construction on the east of the Great Ocean Road lookout
- All retaining walls completed on Great Ocean Road between the lookout car park and Curdievale Rd intersection
- Commencement of works for underground drain near bus shelter
- Asphaltting completed at De Saily's Street intersection and temporary directional signage installed.
- Meeting regarding landscaping outstands at Car Park and Desailly Street
- Path repairs and drainage improvements on section of path along Curdievale-Port Campbell Road.
- Detailed factory fabrication shop drawings approved for Great Ocean Road lookout boardwalk and Campbell's Creek bridge

What's next?

- Landscaping at GOR lookout car park and Desailly Street traffic island
- Continue path construction works between GOR lookout and bus shelter at entrance to town
- Complete underground drain construction near bus shelter
- Commence construction of retaining wall near bus shelter
- Repair works on trail where scouring has occurred on sections along Curdievale Port Campbell Road and Timboon Peterborough Road, when weather permits
- Drainage works on North South Road
- Replace missing trail related road signs

Project timeline

Final construction is expected to be completed in November.

Cattle underpass bridge, Curdievale Port Campbell Road

Bike rack, Great Ocean Road Carpark Lookout

Campbells Creek bridge footings

Trail name

Council is working on registering a name for the trail under the *Naming Rules for places in Victoria*.

We are excited to be working closely with Eastern Maar on the opportunity to connect a name to the place.

Broad community consultation will be undertaken later this year.
