Council Policy

Public Transparency

Introduction

Council is committed to maintaining good governance and values the importance of transparency, accountability, and making Council information publicly available, except where that information is confidential, or its release is contrary to the public interest.

Purpose

Council is required to adopt and maintain a public transparency policy under section 57 of the *Local Government Act 2020* (the Act). This policy gives effect to the Public Transparency Principles under section 58 of the Act, formalises Council's commitment to transparent decision-making processes, and outlines Council information that is available to the public.

Scope

This policy applies to all Councillors, Council staff, and members of Delegated Committees (if established by Council).

Definitions

In this policy:

Confidential Information	information that is defined as confidential by the <i>Local Government Act</i> or any other Act.
Council Decision	a decision made by Council or a Delegated Committee at a formal meeting held in accordance with the <i>Local Government Act</i> and Governance Rules, or by a member of Council staff delegated to make the decision by Council or the Chief Executive Officer.
Contrary to Public Interest	There is no definition in the Act as to when the public availability of information would be contrary to the public interest. Council will determine this on a case-by-case basis.
